

Publications Order Form

Mushrooms

Are you aware of the publications that HDC have produced for you, which are FREE, to HDC members growing mushrooms? If not read on...

What we have produced so far!

Over recent years we have produced a varied and valuable number of factsheets and publications, which you can order by ticking the box provided and returning this form to the address below.

The list is as follows:

Factsheet Title

- 13/08 Mushrooms – Improving spawn-running performance (M 3e)
- 10/08 Identification and control of Cobweb disease on mushrooms
- 09/08 Identification and control of dry bubble disease of mushrooms (M 6a, M1 4b, M 14c, M 31, M 33, M 33a and CP 4)
- 11/07 Mushroom Virus X (MVX) prevention (M 39d)
- 07/05 Securing your water supply for the future
- 15/04 Optimising mushroom quality
- 17/00 Mushroom diseases update

Publications

- Peat alternatives for commercial plant production in the UK
- Energy News for the horticultural industry

Video

- Effective mushroom harvesting (includes manual)

DVDs

- 'Creating champion employees'
- Keeping it clean – assessing the risk of microbial contamination
- Health & Safety in horticulture. An awareness DVD in ten languages (plus English)
- 'Seize the opportunity' A DVD-based programme aimed at increasing the awareness of the public procurement sector as a customer for UK growers

What would you like to see?

We would very much value your comments or ideas on what factsheet/publication topics you would like to see in the future.
